

OUR SERVICES

If there is one word other than exceptional to describe our services, that is flexibility. We will be able to assist you on an hourly basis, by shifts, by visits or round-the-clock as long as you need our assistance. Our services are available to you 24/7.

Our caregivers are qualified and experienced to handle a wide range of duties. These duties range from personal care and housekeeping to specialized medical activities such as administering injections and attending to wounds.

Our services include:

- ✓ Homemaker
- ✓ Home Care Aide
- ✓ Companion Support
- ✓ Registered Nurse
/Licensed Practical Nurse
- ✓ Customized Services

OUR MISSION STATEMENT

Our mission is to lead the way in providing high quality service and care, as well as building relationships that result in superior satisfaction to our clients. We are dedicated to enhancing the quality of life by helping restore good health, and alleviating pain and suffering to our care recipients.
